Dear Friends,

We are here to share with you a special event to celebrate the memory of Warren Dressler. Hard to believe it has been three years to the day, June 25. We are planning the 4th annual; motorcycle ride and family fun walk to raise money for cancer research. This is a great opportunity to be a critical part of this event through your generous support. Your support will insure that this event has everything needed to make both an exciting day and a difference in the research and treatment of melanoma cancer. With your support the last 3 rides raised over \$17,000. Please help us make this year's event even bigger!

We plan to hold the motorcycle ride and stomp on Saturday, June 25, 2011. The ride and stomp (walk) will leave from Mt. Olive Lutheran Church. The ride will continue through southern Indiana, and return to church for lunch and live music. Your support will defray the costs of putting on the ride as well as being seed money for this great cause. Each participant will receive a t-shirt (while supplies last) with the Warren's ride logo on the front and a special memorial logo on the back. While I know that you receive many solicitations each year, I would ask that you consider giving generously to this worthy cause and help make this ride truly memorable. We ask that you please return your donation to us by Monday, June 9, 2011 if you would like your company's name or your name to appear on the back of the t-shirt.
